Traffic Getting distracted(texting, emails, etc.) Other drivers

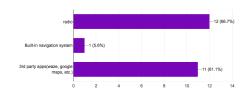

Navigating unkown areas

What are your biggest distractions while driving

SleepGet work done

Browse the internet
Liesure activity(read/watch tv etc.)
All of the above

If you use 3rd party systems like Apple Car Play, what features do you use?

11 responses

Outside of the driving experience, how do you feel about Al assistants like Siri or Alexa

18 responses

 Love the convenience and power
 They are creepy and spy on me Sort of helpful but I have not figured out how to best use them
 Like the idea but they are not quite ready for prime time

If your car drove itself, what would you do in your car during your commute

Do you use the shortcut buttons on your steering wheel
