

# SURVEY RESULTS

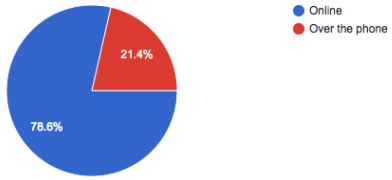

What is your main concern when you are ordering takeout food

14 responses

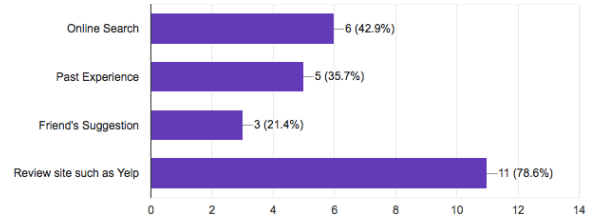

Do you prefer to order takeout online or over the phone?

14 responses

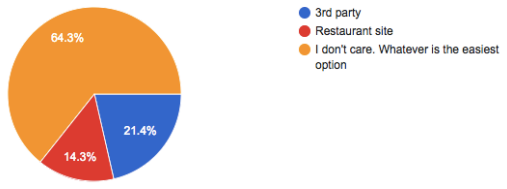

How do you decide where to order food?

14 responses

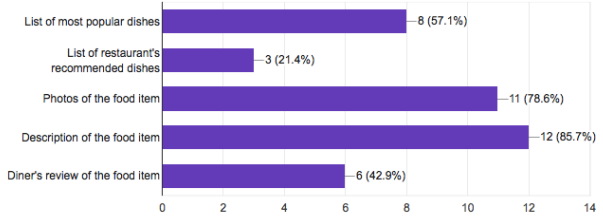

If ordering online, do you prefer 3rd party sites such as Seamless or ordering on the restaurant's website?

14 responses

What features of a restaurant's website are most important in your decision to order an item

14 responses

If there are multiple restaurants that serve the same cuisine in your area, how do you decide which one to order from?

14 responses

- Yelp and/or Google reviews
- Reviews, low cost, appetizing looking photos
- Yelp reviews or friends recommendations!
- Past experience or Yelp reviews
- Which one has better reviews
- User reviews
- Customer reviews and pictures
- vegan- favorite dishes at each spot
- reviews on yelp
- Based on not having been to any of these restaurants, I rely on reviews and/or recommendations!
- Whichever has the highest rating (usually I check Yelp!)
- Based on yelp or google ratings
