 Lots of options for big artists

For Car:

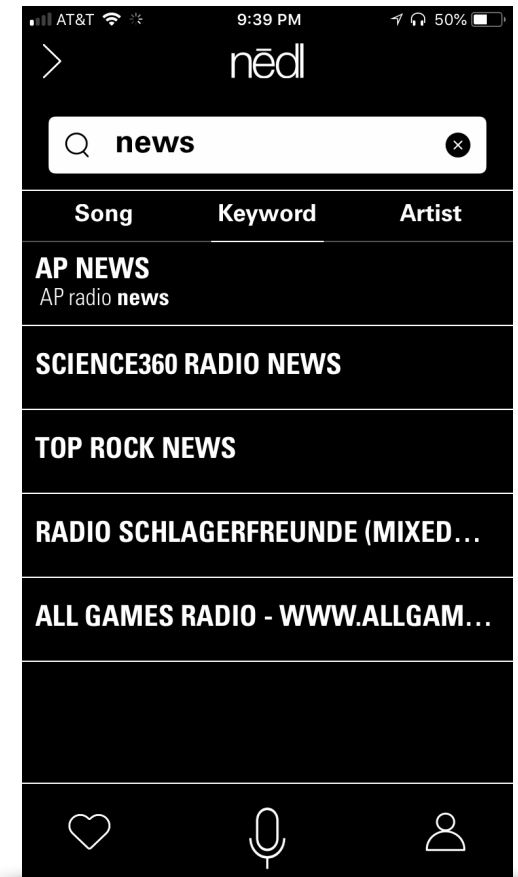

-  Too many small buttons
-  Too many items
-  Text too small
-  Need side view
-  No voice control
-  Might need 2 hands to use

SCREENS

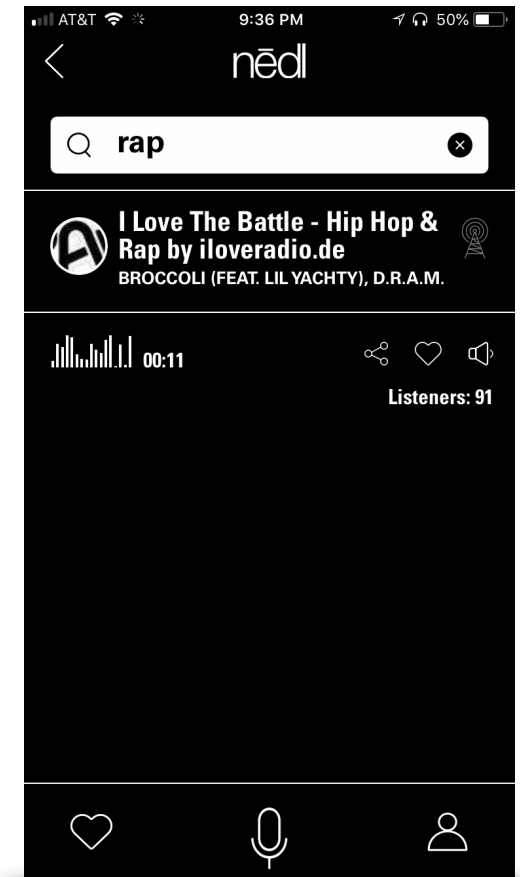

Number of search results outside of music are small

SCREENS

- Music plays quickly and high quality
- No options to explore similar or recommended music
- Music is not always what you click on in search results

SCREENS

Kind of weird search results
